

HOPPY TIMES

For the tenth year in a row, Airlie Gardens in Wilmington, NC is excited to host their annual art exhibit and invite artists, or teams of artists, to submit designs for the 2022 exhibit, "Hoppy Times." Artists are asked to decorate, paint, and otherwise adorn one of ten oversized, fiberglass rabbit models that will be placed throughout the grounds for guests to enjoy as part of their garden experience. Designs will be selected based on creativity, craftsmanship, use of materials, the ability to appeal to all age groups, as well as outdoor sustainability and durability.

ARTIST BENEFITS

- ❖ Artists whose designs have been selected will receive an honorarium of \$900.00 (\$450.00 received at fiberglass pick-up and \$450.00 received upon delivery of completed rabbit).
- ❖ Completed rabbits will be placed throughout Airlie Gardens, each with a plaque featuring the artists' name.
- ❖ Artists will receive optimum exposure through increased pedestrian traffic within Airlie Gardens, in addition to media attention throughout Wilmington & Eastern North Carolina.

PROJECT RULES & GUIDELINES

- ❖ Design must be appropriate for public display. Designs that are religious, political, or sexual in nature will not be selected. Corporate logos and advertising are not permitted. Libelous, slanderous or designs showing social disrespect will not be permitted. The review committee evaluates all designs and has sole discretion to accept or reject any design.

- ❖ Artist may paint, sculpt, transform, or adorn rabbits. Objects attached to the rabbit must be affixed so that they cannot be easily removed. Attached objects must be weather-resistant.
- ❖ Artist may alter the basic fiberglass form but cannot compromise its structural integrity. The contact points by which the rabbits are attached to their bases cannot be altered or obstructed.
- ❖ Artist has the option of adding appendages to the fiberglass form. Proposed additions must be made clear at the time of original submission of drawings.
- ❖ Artist will receive one fiberglass rabbit form with rough factory priming. Unless you have altered the form or exterior of your rabbit, you will not need to reapply a primer.

Artist should consider weather and other elements, including sun, rain, wind, dirt, and people. Artist must develop designs that can withstand the weather and the public touching the sculptures.
